Technology today plays a major role in every aspect of jewellery making. The use of the latest equipment and technology will be a crucial component of India’s vision of becoming the leading jewellery hub in the world. The world’s leading technology and equipment providers in the gem and jewellery sector will be making a beeline to the 6th India Gem & Jewellery Machinery Expo (IGJME). Make the best of Asia’s largest gem and jewellery technology fair, whose sole aim is to upgrade India’s gem and jewellery manufacturing infrastructure.

Around 120+ leading companies will present cutting-edge equipment and technology at the Bombay Exhibition Centre, Mumbai. IGJME 2019 will draw participants from countries like the US, UK, China, Turkey, Italy and Germany among others. Cutting-edge technology enhances productivity and quality which is at par with international standards, making it the perfect channel for realising the ‘Make in India’ dream. Visit IGJME to gain a deeper insight into the ever-changing world of gems and jewellery.
Technology is vital for the growth of the Indian gem & jewellery industry. Features the latest production techniques & technology upgrades.

Previous IGJME editions have been highly successful.

Opportunity to adapt to the latest technology.
