

Alert:

Indian students seeking admissions to French schools and universities for Masters programme are advised to ensure that they only apply for courses certified by '**Le Répertoire National des Certifications Professionnelles**' (RNCP). Students with degrees awarded by non-RNCP certified schools/ universities are not eligible to seek **Authorisation Provisoire de Sejour (APS)**, a visa issued by the French government for two years stay in France after completion of the Masters course to enable search of employment. For more details on RNCP certified courses, please visit the website- <https://www.francecompetences.fr>. You could also seek further clarifications from the Education Wing of the Embassy of India in Paris at edu.paris@mea.gov.in.
