

EMBASSY OF INDIA, PARIS Fees Chart – Visa Services

How to calculate your visa fee?

Several factors may influence the final visa fee, including nationality, duration of stay, and type of visa. Please carefully review the tables below to determine the applicable visa fee. An additional ICWF fee of €3 must be added to the applicable visa fee. For example, the business visa fee for a French national for a duration of up to one year, with single or multiple entry, is calculated as follows: €151 + €3 = €154.
